

Power Technologies charging education

Ikonik are pleased to partner with Power Technologies to deliver multi-charging cart and cabinet solutions that are perfect for schools, colleges and universities.

Multi-device charging

Range of smart charging options

Secure storage of devices

Made for the modern school

The modern school is dependent on technology. The use of tablets, laptops and Chromebooks is becoming an everyday part of education. Your education customers need to maximise their IT assets due to tight budgets. Power Technologies keep these assets stored and optimally charged.

Already trusted by 4,500 school districts in the US, Power Technologies offer protection, security and lifespan optimal charging through their range of charging carts, cabinets, and secure storage devices.

With each Power Technologies solution you get

- Full metal construction
- Lifetime frame warranty
- Ships fully assembled
- High-quality at a competitive price
- Stock held locally

Let Luke sell for you

Luke from Power Technologies, the reseller-only brand, can attend meetings with you to demo their product range to your customers.
